### Requested Alteration(s)

The request for this Amendment is to add \_\_\_\_\_ total additional square feet of indoor grow space on to the outdoor Registered Land Area. If adding more than one indoor area, then enter the combined total square feet of all indoor area(s). You will then locate and label each area individually on the map. All additions must fall within the original boundary lines.

Please identify below the type of building to be added (hoop house, greenhouse, garage, shed, etc.) and its GPS coordinates. (use additional sheet is necessary)

Addition # 1: Building Type: \_\_\_\_\_: Latitude: \_\_\_\_\_ Longitude: \_\_\_\_\_

Addition # 2: Building Type: \_\_\_\_\_: Latitude: \_\_\_\_\_ Longitude: \_\_\_\_\_

Addition # 3: Building Type: \_\_\_\_\_: Latitude: \_\_\_\_\_ Longitude: \_\_\_\_\_

Required Map: A map of the Registered Land Area showing the original boundary lines and the location of the additional square feet being added must be included with this request.

\*Tip! Rather than recreating a new map, you may use a copy of your original map and add to it the greenhouse(s) and/or hoop house(s) that will alter the existing Registered Land Area by drawing them in, or labeling the location, and then stating the square feet next to it.

## Acknowledgements and Agreements

The undersigned acknowledges the following:

Industrial Hemp Rule 2.12 provides that “Any registrant that wishes to alter the growing area(s) on which the Registrant will conduct Industrial Hemp cultivation for either Commercial or Research and Development purposes shall, before altering the area, submit to the Department an updated legal description, global positioning system location, and map specifying the proposed alterations. Amendments to an existing Registration are limited to changes within the original land area registered, including variety changes, location(s) of varieties, and actual acreage or square feet of each variety planted.
